All brands shown in catalogue "Absolute LAB - Customized Room Accessories" are property of their respective owners. Their use is made with the only purpose of describing the products advertised.

La Bottega reserves the right to change, at any time, the technical specifications of any products illustrated in this catalogue and on the website www.labottega.com.

The image features a repeating pattern of windows with curtains. Each window is framed in a light beige color and contains two panels of curtains: a light-colored, textured sheer curtain on the left and a dark blue, solid-colored curtain on the right. The windows are arranged in a grid, with some partially cut off by the edges of the frame. The overall lighting is warm and soft, suggesting an indoor or sheltered outdoor setting.
