

Once upon a time...

Existed a story of love and friendship that lasted 40 years between Christiane, Yves and Desmond, three transdisciplinary creators from the worlds of architecture, theatre and painting.

Once upon a time, there were three multiskilled idealists, three free and cultivated poets, three aesthetes and artists, who were united by their taste for travel and great civilizations, and a shared sense of beauty.

Once upon a time, three "marchands de rien" (purveyors of trifles) sold only what they loved, what they discovered, redecorated and repurposed in the course of their inspired travels.

Once upon a time, there were decorative items, scented candles and the perfumes - because, ultimately, smells, more than any element, serve as bearers of memory to inspire, and encourage the imagination to wander.

# L'ART DU SOIN

L'Art du Soin is a poetic experience, a sensorial product line designed for the well-being of both the body and soul. The fruity sparkle of bergamot, the tangy zest of green mandarine, and the citrusy, honey-kissed taste of neroli. A fabulous fusion of freshness that awakens the body and stimulates the mind, echoing the invigorating waterfalls of Calabria. The bright scent of orange blossoms, like a morning breeze, refreshes the sleeping skin, leaving it soft and replenished.
