## HIST OIRES *de* PARFUMS

An olfactive library that is telling stories about famous characters, mythical years, poems and music.

The collection created by Gérald Ghislain is governed by no rules other than inspiration. With his luxuriant imagination, this loquacious individual has chosen to bring his stories to life in perfumes, a sensitive and sensual medium. Histoires de Parfums releases its fragrances in a Deluxe edition to be read on skin.

Histoires de Parfums' perfumes perpetuate the French perfumery know-how, which features are luxury, nobility and creativity. Histoires de Parfums offers fragrant novels, musical scores and poems. In this collection you can meet extraordinary characters, discover the most exquisite materials in the world of perfumery, delight in poetry from both the Orient and Occident, encounter sublime divas...

With this perfume library, Gérald Ghislain wanted to evoke stories through scents just as books are written with emotions.

*Le parfum* provoque des sensations qui vont au-delà des mots. J'ai toujours pensé qu'il n'y a pas de raison ou de logique pour expliquer ce qu'un parfum nous fait ressentir. C'est une émotion primaire, instinctive.

J'ai créé Histoires de Parfums il y a 15 ans pour traduire en parfum l'aura de personnages exceptionnels, d'années mythiques...

J'ai créé cette fragrance comme un avant-propos, quelque chose à venir, dont l'histoire ne prendra vie qu'une fois sur votre peau.
