

SALT & STONE

Salt & Stone is where iconic scents meet active formulas. Made for those active in mind, body, and spirit, each aromatic ritual blends naturally derived actives from the sea and mountains with transportive scents inspired by our connection to the natural world.

Created by former professional snowboarder Nima Jalali, Salt & Stone is rooted in a deep understanding of the elements—their effects on the skin and body—and a desire to blend wellness and performance, formulating products in harmony with nature and in celebration of the transportive power of scent.

BERGAMOT & HINOKI

Sunlight sparkles on softly rolling waves. A deep breath. Awaken. Energize. Lift. Plunge into depths of eucalyptus and orange blossom, earthy vetiver and amber, warm and lingering. Crisp bergamot and sharp grapefruit punctuate—a fresh start, a new day.
